

Home Security Checklist For Vacations

- Tell a trusted neighbor that we will be gone
- Stop newspaper
- Stop mail at USPS.com
- Adjust thermostat (50 degrees in winter, off in summer)
- Ensure that no appliances are running
- Unplug or turn off power strips for TVs and electronics
- Check window locks
- Turn off lights, except for security
- Close interior doors
- Turn off main water valve
- Double-check exterior door locks
